

Eye Glasses

By Willi Rose

Eye-glass-es sit on my nose and then I see my toes.

Eye-glass-es fit 'round my ears then ev-'ry-thing's clear.

Some laugh at me. But they can't see.

It's just an a-stig-ma-ti-sm, so let me be.

Eye-glass-es sit on my nose and then I see my toes.

Eye-glass-es fit 'round my ears then ev-'ry-thing's clear.

Repeat from the beginning
