By Willi Rose

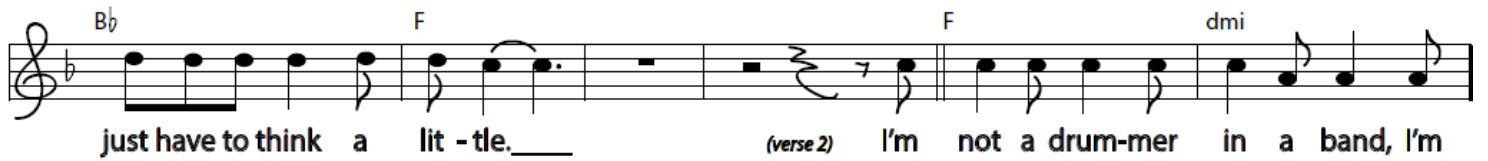

I must un-der-stand the pur- pose and plan of a rid- dle that's ve - ry cle - ver. To

cel- e- brate me and who I'll be and change my life for - ev - er. I know, I know I'll

find a way to solve the mys- t'ry rid- dle. I know, I know I'll find a way, I

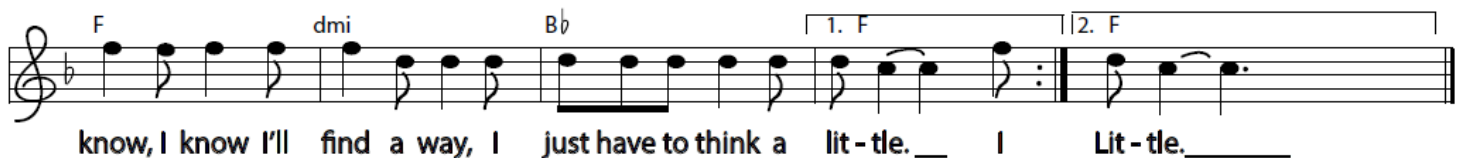

just have to think a lit - tle. (verse 2) I'm not a drum- mer in a band, I'm

not a com- ic, ei- ther. I'm just a lone - ly sea ser- pent who swims a - long the

ri- ver. (chorus) I know, I know I'll find a way to solve the mys- t'ry rid- dle. I

know, I know I'll find a way, I just have to think a lit - tle. I Lit - tle.
